

Yokohama National University Summer Program 2018

July 3rd to 13th, 2018
in Yokohama, Japan

Your Future Starts Here!

This is a two-week intensive program designed for highly motivated students mainly from our partner universities around the world. This program allows participants to experience the campus life at Yokohama National University (YNU) first-hand and to gain a deeper understanding of Japanese life and culture as well. Participants will also have opportunities to interact with YNU students through various activities, including project work and excursion tours. If desired, academic counseling for future studies at YNU is available. Don't miss this chance to be a part of our Summer Program!

Yokohama National University (YNU)

Yokohama, the home of YNU, is widely known as an important base for international business in Japan, having a long history of international trade since 1859, when Yokohama became one of the first trading ports in Japan. Reflecting the history and international atmosphere of the city, YNU has been committed to playing a global role and promoting international exchange activities. It has also been widely recognized as one of the leading universities in Japan for its high quality of education.

Why Choose the Summer Program at YNU?

- 1 Lectures on Japanese culture and society**
Besides attending the lectures, you will also enjoy hands-on learning experience such as Japanese brush calligraphy and flower arrangement.
Note: Contents are subject to change due to the availability of instructors.
- 2 Diverse opportunities to interact with YNU students**
In addition to working together on a project for a poster presentation, you will find a variety of opportunities to interact with YNU students while attending lectures and going on exciting excursion tours. YNU volunteer students are willing to support you in class and out of class.
- 3 Exciting excursion tours to Japan's past and present**
You will visit intriguing corporate museums and historical sites in the Yokohama area with some YNU students.
- 4 A great opportunity for prospective YNU students**
If you are considering pursuing your graduate studies at YNU in the future, our summer program could be the perfect option for you ; you will be able to attend some of the lectures and seminars offered at YNU. Japanese language classes are also available as an option.
- 5 Weekend homestay experience with a Japanese family**
This has been one of the most popular parts of our summer program.
